Do you have a solid background in construction?
Are you looking to work for a stable company that has been around for over 35 years and is going strong? If you answered "yes" to both questions, this opportunity might be for you!
We are looking for a hands-on foreman to be responsible for the installation of the company's waterproofing and foundation repair products according to quality standards, job specifications, and safety regulations. Our team members work hard and get rewarded with excellent pay and benefits. Travel is required. Because our aim is to be the best in our industry and "wow" our customers, we are looking for individuals who possess excellent skills/ability (we will train on specifics) AND the ability/desire to provide excellent service to our customers. Are you interested in joining our team? If so, please respond via mail to:
Northland Basement Systems
PO Box 50, Wakefield MI 49968
A pre-employment drug screen and valid driver's license are required.
Northland Basement Systems is the region's largest waterproofing, foundation repair, radon mitigation, and basement finishing contractor. For more information about our company, visit: upperpeninsulabasements.com
